Concert Apéritifs

A 70th Anniversary Season-Long Fundraiser

SEVEN INTIMATE PERFORMANCES IN DISTINCTIVE, PRIVATE HOMES

Maestro Nir Kabaretti has curated a series of seven house concerts to celebrate The Symphony's milestone 70th Anniversary and to bring music lovers together in intimate and exclusive settings.

Each event features a 60-minute concert with visiting guest artists who will be performing that week with the Orchestra or The Symphony's own superb musicians. Guests will be treated to musical selections thoughtfully chosen by the Maestro to reflect the hosts and their unique homes!

Held in magical, private residences, generously donated by Symphony hosts, each of these one-of-a-kind events will be held from 4:30 to 7:00 pm and will include heavy appetizers, libations, and plenty of time to talk with Nir, the musicians and each other!

The first three in the series were a big success. We invite you to join us for the remaining four!
